After a twenty-plus year career in Information Technology Management, I am seeking a position as a Full Stack Web Developer. I am currently pursuing an intensive Web Development Coding Certificate at the University of Texas. The experience I'm gaining in HTML, CSS, JavaScript, SQL/NOSQL databases, and React combined with my earlier degree in Computer Science and my experience in IT management give me the opportunity to grow and become a valuable asset.

## TECHNICAL SKILLS

**Languages:** JavaScript, CSS3, HTML5

**Applications:** GitHub, MongoDB, MySQL, Visual Studio

**Tools:** Bootstrap
